

# RENAISSANCE ART MUSEUM

As a class, we are going to create an art museum focused on Renaissance artists! You will be split into groups of 3 and will be assigned a specific artist to research. Your group will select one of the artist's works of art (painting, sculpture, etc.) and create a museum plaque for that piece.

First, you must draw the work of art in the frame provided to each group. Then your group will create a museum plaque to place next to your frame to give patrons information about the work of art they are looking at.

The plaque must include:

- Title of the work of art
- Name of the artist
- Year it was created
- Medium (what the work is made out- paint on canvas, paint of wood, bronze, etc.)
- 2-3 sentences about the artist's background
- 2-3 sentences about the painting

Example:

Title: Artist: Date: Medium:  About the artist.  About the painting.
